J. BULCOCK,

The captain of the Swans in this season's cup matches, has been showing excellent form this year, and has quite justified his selection to fill the vacancy caused by the injury to Nicholas last season. He started his career in first-class football with Bury, had a season with Exeter, and then went to the Crystal Palace club, from whence he came to the Swans at the latter end of last season. A real sport, he is a favourite both on and off the field.
