Front Cover

The new front cover design heralds the emergence of Diversified Products as Sponsors for Swansea City Football Club. A bright and hopeful symbol of rising fortunes in future years.

JOHN BOND

Manager,
Swansea City
Football Club

I had the good fortune of being able to watch Hereford against Bristol City last week in the Freight Rover Trophy. I must say I was glad I was able to have this opportunity because I was most impressed by Hereford's performance — I would have thought they went away from the match feeling unlucky to have lost. They appeared on that performance to be a very useful side with a fair amount of good players and commitment throughout the team. I was also impressed by the way they knocked the ball about and the workrate of the whole team. It looks as though John Newman has been working very hard with them. John is a person for whom I have had respect for a very long time. I know how he works in the game and I know a lot of people who have good things to

say about him — he has done a great job at Hereford.

As for ourselves, we have improved in recent weeks and it has been most encouraging as a new manager to see our performances. However, we mustn't become complacent in this particular game which will certainly be one where we will have to be at our very best to get a result. Whilst Hereford cannot qualify for Europe by winning this competition I am sure that it will not stop them from trying to win it. I feel certain that the football public of Swansea will be encouraged by our recent good run but I must just remind you that for us to make real progress in the future, we will need your support in increasing numbers.

Best Wishes.

JOHN BOND

Todays Opponents:

Hereford United FC (1939) Ltd

The club was formed by two local clubs, namely St. Martins and RAOC, amalgamating to call themselves Hereford United, in June 1924. They had to share the use of Edgar Street ground with the still powerful Hereford City. Dr. W. E. Maples, OBE, who helped to form the club, became the first Chairman.

The club's very first Birmingham Combination match was against Atherstone Town on 30th August, 1924, when they lost 2-3. The following week the club played Kidderminster Harriers (away) in an Extra Preliminary Round of the FA Cup, losing 7-2 but how many clubs can claim to have taken part in an FA Cup match only one week after their first ever competitive game.

The club became a Limited Company in 1939. They then joined the Southern League. United were elected to the Football League on Friday, 2nd June, 1972, after a tie with Barrow (26 votes each). After a second ballot, United were elected by 29 votes to Barrow's 26.

In its first season in the Football League, the club won promotion to the Third Division and in 1975 won promotion to the Second Division. The record attendance for Edgar Street was established in January 1958 when a crowd of 18,114 watched a Third Round FA Cup Tie against Sheffield Wednesday. The ground capacity has been reduced in recent years by the installation of extra seating and additional safety features.

Pen Pics...

Hereford's team this evening will probably be selected from:

KEVIN ROSE (Goalkeeper) — Born in Evesham. Kevin joined United from Ledbury Town during the 1982/83 season, and has developed into a most reliable keeper. Ever present last season.

CHRIS PRICE — Born in Hereford. He is United's longest serving player, having joined the club straight from school as an App/Pro. Chris is a very experienced young player with 276 first team appearances to his credit. Was selected by the PFA for the 4th Division team in 1983 and 1984. 36 first team appearances last season.

CARL LEONARD — Born in Oswestry. Signed professional for Shrewsbury Town in 1975 making over 250 appearances for that club. Carl is a very experienced defender signed for United during the close season of 1983. Made 25 first team appearances last season.

IAN BRAY — Born Neath, S.Wales. Joined the club as an App/Pro in 1979. Appearances restricted due to injury in 1982. Now fully recovered and made 21 consecutive appearances at the end of last season.

KEITH HICKS — Born in Oldham. Gained an England Youth Cap in 1972. Made over 300 appearances for Oldham Athletic before joining United in 1980. Strong, hard working defender who made 44 appearances last season.

TONY LARKIN — Born in Liverpool. Started his career with Wrexham before moving to Shrewsbury where he won a 3rd Division Championship medal. Moved to Carlisle where once again he was in a promotion winning team to the 2nd Division. Tony signed for United just before the 'deadline' in 1983 and is the club captain.

MEL PEJIC — Born in Newcastle, Staffs. Mel signed professional for Stoke City in 1977 but unfortunately his first team appearances were limited, so he joined United in 1980, since when he has made over 90 first team appearances. A most consistent and popular player who has been the supporters' selection as 'Player of the Year' for the last two years.

JIMMY HARVEY — Born in Lurgan, Northern Ireland. Played for Irish League team Glenavon before signing for Arsenal in 1976. Jim joined United in 1980 and has turned out to be a most constructive midfield player. Made 44 first team appearances last season.

JOHN DELVE — Born in Isleworth. English schoolboy captain in 1970. First signed as an App/Pro then full professional for Queens Park Rangers. Moved to Plymouth Argyle and then to

Exeter City, he was made captain at both clubs. Another important signing by United during the summer of 1983, was and still is team captain. Made 35 appearances last season.

STEVE EMERY — Born in Hereford. Signed as an App/Pro by United in 1972, then professional one year later. Steve made over 300 appearances for United before being transferred to Derby County in 1979, for £100,000. He played regularly for Derby County before suffering a broken leg which kept him out of the game for 18 months. Made a determined effort last season and regained full fitness, making 33 first team appearances.

PAUL MADDY — Born in Cwmarn, S.Wales. Capped by Wales at Under 23, whilst with Cardiff City. Played for United first on loan from Cardiff City in 1983 but was signed by Swansea City at the end of that season. Joined United in March 1984. Another very constructive midfield player.

IAN DALZIEL — Born in South Shields. Started his career at Derby County under the present manager, John Newman, as an App/Pro, then signed professional. Ian is a very tenacious player who made 31 appearances in the first team last season.

GARY BEACOCK — Born in Scunthorpe. First signed as App/Pro with Sheffield United. Then had a 2 year spell in Holland before joining Grimsby Town in April 1980 where he made 30 first team appearances. Scored United's quickest goal last season against Cwmbran in the Welsh Cup, timed at 7 seconds. Was injured in the same game which limited his appearances last season to 14.

MIKE CARTER — Born in Warrington. First signed professional for Bolton Wanderers in 1977, where he made over 100 first team appearances before moving to Plymouth Argyle. First played for United in 1983 on loan from Plymouth, then he signed for United at the end of that season.

OLLIE KEARNS — Born in Banbury. Started his career with Reading before moving to Oxford United, then Walsall. Ollie has scored approximately 100 goals in his short career. His brother Mick, used to keep goal for Walsall. Made 39 first team appearances last season.

Combining Music and Sport
THE VOICE OF THE SWANS

Last Saturday saw Watford chairman Elton John and soccer TV personality Jimmy Hill on the BBC's 'Superstore' discussing how they are attempting to bring the family back to watch an afternoon's game of football. Of course the main problem keeping people at home has been the violence and hooliganism. It's certainly not the atrocious winter weather — look at our attendance for the Bournemouth game on what was the coldest night of the year!

Although nobody really likes to admit it, violence has been a major problem on the terraces made worse in the long term by the media placing greater emphasis on the fighting than the football. As Jimmy Hill pointed out, though we are only talking about a small minority, the answer to the problem has had to come from the clubs themselves.

Spearheaded by Watford's extrovert chairman, clubs across the country are beginning to make the supporter feel someone special — a part of a small community. The younger supporters in Watford's case are given free sweets, a birthday card signed by their favourite players and their names on seats in a family enclosure in which no adult is allowed unless accompanied by a child!

Here at the Vetch our finances are not as healthy as Watford's at the moment! This obviously means we are hindered in lots of ways. However, we are trying in our own way to 'Bring the family back.' Let's not forget why Radio Vetchfield was formed at the start of the 1983/84 season — 'to provide a stronger link between the club and its supporters.' To form a community whose sole aim is to have an enjoyable afternoon out watching their favourite team play football.

Next time bring the whole family down to the game. Tell me you're coming and I'll dedicate a record to you. If the Swans win as well — what a perfect way to spend an afternoon out!

MARKETING & SPONSORSHIP

In all industry and business houses, it is considered absolutely necessary to have marketing departments, thus enabling the continuous progression that is needed to survive.

Until recently, i.e. the last two or three years, it was considered a little revolutionary for a football club to have a marketing department, the reasons for this being rather obvious, the lack of commercial expertise within the football clubs.

Fortunately for Swansea City, we have always been aware of the importance of a good sound commercial department. We have naturally had a few hiccups over the last few seasons, what organisation wouldn't have had under the circumstances, but our strength and organisation managed to hold on. Now, thank goodness, we can see a little light at the end of the tunnel. Not only has our new manager pulled the football side around, he is also very much aware of the necessity of public relations. With this kind of attitude from John Bond, and all his coaching and playing staff, and a lot of hard work from the commercial department, there is no reason, given a little luck, why we can't get back to the highlights of only a couple of years ago.

We are, as you are all probably aware, being sponsored on a seasonal basis, by the internationally known company **Diversified Products**. We thank Harry Hyde, who is a Swansea City Director, for his unstinted enthusiasm in recommending his company to sponsor the Swans.

We are also very fortunate in having the backing of two of Swansea's leading car

sales companies. Fletchers of Swansea still sponsor the football club with two mini-buses, for the use of the football team, and Siloh Motors are forever helping the club by way of sponsored cars. Not a day goes by when one of the staff or one of the players needs a car because their own cars have had a breakdown. We only have to ask Siloh, and before we know where we are, there is a car at the club with the courtesy of Siloh Motors. To these companies, may we say a big thank you.

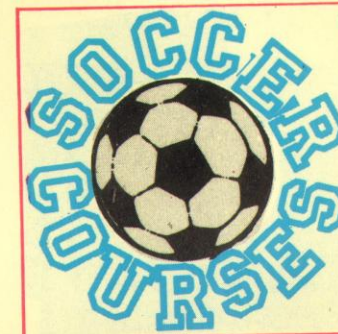

We have the benefit of two experienced lottery personnel, employed by the Commercial Department, namely Wynne Hooper and Geoff Thomas. Both of them would welcome a call from you, stating that you would like to participate in our successful lotteries by enrolling as an agent. All you need to do is to ring up the office and ask for Myra, Angela or Kim. State whether you would like to sell either the Bingo/Lottery or the Moonraker Lottery, or both. This is a good way of helping the Swans and another way of earning some extra money for your summer holidays. We will be only too pleased to hear from you. If you are not at home during the day, let us know when you apply, and an evening call to you will be our pleasure.

We invite enquiries from any company wishing to advertise in our club programme for next season. Terms are very competitive for both the programme and perimeter ground advertisements. We also specialise in match day sponsorship. Write to us and we shall be pleased to discuss with you a Match Day Sponsorship Package Deal.

For all enquiries relating to Match Day Sponsorship, Ground Advertising, Programme Advertising, Match Ball Donations, Lottery Agencies, or anything of a commercial nature, please get in touch with David Savage, Commercial Director, on **S.wansea 42182**, or write to the **Commercial Office, 33 William Street, Swansea, West Glamorgan, South Wales SA1 3QS.**
