## "THE VALIANTS"

Ladies and gentlemen, boys and girls may I wish you all a belated Happy New Year and may 1994 bring everything that you deserve and want. Thank you one and all for your support at Bristol Rovers and more especially for the behaviour shown in this important away game.

We have many fences to mend to get the good name of Swansea City Football Club and football back to the level which it richly deserves. This evening we extend a warm welcome to Port Vale F.C. for this Autoglass Trophy Quarter Final match at the Vetch Field, Manager John Rudge, Directors, players and visiting fans and as usual we wish them well in the Endsleigh Insurance League except for tonight's game.

Three important presentations will be made at the start of the game - a belated International Cap to Colin Pascoe and two U21 caps to Shaun Chapple and Stephen Jenkins. There's no greater honour than playing for your country and I hope that these young players will treasure their caps and the pleasure in winning them. Ladies and Gentlemen, please enjoy the game, get behind your team - your support is very much appreciated by the players and last but not least - a safe journey home.

**Football's biggest fan  
is its £36m supporter**

By next August, standing will be a thing of the past at many of our football grounds as clubs meet the Taylor requirements. Clubs who choose to retain some standing must make sure that terracing is safe - for many an expensive commitment. The Football Trust has an annual income of over £36m - virtually all from the pools companies, Littlewoods, Vernons and Zettors. Implementing Taylor is a huge undertaking and every club counts on THE FOOTBALL TRUST to help to see the job through.

## YOUTH DEVELOPMENT NEWS

Since my last notes Swansea City F.C. have signed two more players on Associate Schoolboy forms - Steve Smith from Gelligaer near Hengoed in the Rhymney Valley and Gareth Phillips from Porth. Gareth attends the Rhondda School of Excellence and hopefully will emulate Alan Curtis who also came from the Rhondda.

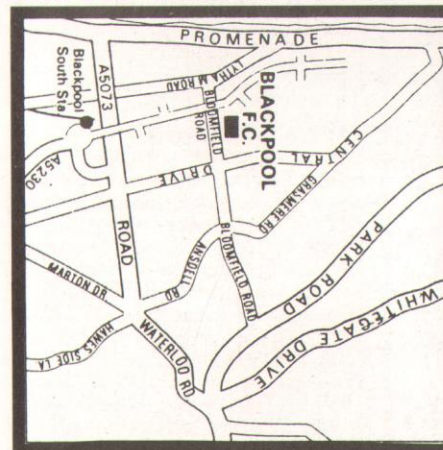

Over the holiday period our young players U12s, U13s, U14s and U15s have been busy with selected matches, viz U15s against Wales U15 team, against Hereford United at U14 and U15, against Ste. Joseph's U13 and against Mid Wales in Rhyader at U12 and U14 levels. Some very good football was noted but most important was the experience gained by all the youngsters taking part. The results were good but I am pleased to write that the spirit and character of the teams efforts was most impressive. I end with a sincere wish to all our supporters for a Happy New Year and Good Health for 1994.

RON WALTON  
Youth Development Officer  
Swansea City F.C.

Ed. Note: The bad weather has postponed the Youth Eam matches since the last programme which had the good news of becoming finalists in the National Youth League Cup.

# VISITORS

## PORT VALE PEN PICTURES

1993-94

OUR VISITORS by COLIN JONES

### PAUL MUSSLEWHITE (Goalkeeper)

Born - Portsmouth 22nd December, 1968.  
First choice keeper who cost £20,000 from Scunthorpe in July 1992. Tall and commanding in the area, he made the position his own from early last season and helped the club to reach Wembley twice, gaining a winners medal in the Autoglass Trophy. He began his career with Portsmouth but did not make a Senior Appearance for them, moving to Scunthorpe on a free transfer in 1988.

### TREVOR WOOD (Goalkeeper)

Born - Jersey 3rd November 1968.  
Signed on a free transfer from Brighton in July 1988 making his debut three months later against Huddersfield in which he kept a clean sheet. His best season was 1990-1991 when he established himself as the clubs regular keeper since then he has only made a handful of appearances and this season will be hoping to regain top spot.

### BERNIE SLAVEN (Striker)

Born - Paisley 13th November 1960.  
Experienced goalscorer who surprisingly joined the Vale on a free transfer from Middlesbrough in March 1993. He soon settled in and after scoring the goal that took the club to Wembley for the Autoglass final he scored the winner in the final itself. Capped seven times for the Republic of Ireland he began his career with Morton and then had short spells with Airdrie and Queen of the South before becoming Scotlands leading scorer in 1985 with Albion Rovers. This brought him to Middlesbrough's attention and he topped their scoring charts for six successive seasons before losing his place last season. He is now approaching 200 carer goals.

### DEAN GLOVER (Defender)

Born - Birmingham 29th December 1963  
Cultured central defender who cost £200,000 from Middlesbrough in February 1989 helping the club to win promotion four months later. He has been a regular member of the side ever since, missing only a handful of games and part way through last season became club skipper, going on to lift the Autoglass Trophy in the clubs first Wembley

appearance. He began his career with Aston Villa helping them to reach the semi-finals of the Milk Cup in 1986 and then after moving to Boro' helped them to promotion in 1988. Has also played for Sheffield United on loan.

### PETER BILLING (Defender)

Born - Liverpool 24th October 1964.  
Tall central defender who originally joined the Vale on loan from Coventry City in February 1993 as cover, but he did well enough for the move to become permanent three months later for £35,000. He began his career with non-league South Liverpool and then moved on to Everton and Crewe Alexandra before arriving at Coventry in 1989 for £120,000.

### DARREN HUGHES (Defender)

Born - Prescot 6th October 1965.  
Speddy left back who joined the Vale in September 1987 for £10,000 from Brighton after a spell on loan. He began his career with Everton helping them to win the FA Youth Cup in 1984 and then moved on to Shrewsbury where he operated mainly in midfield. He missed the whole of last season through injury but is now hopeful of regaining full fitness.

### RAY WALKER (Midfield)

Born - North Shields 28th September 1963.  
Former England Youth International who is now the clubs longest serving player having cost just £12,000 from Aston Villa in August 1986. A classy midfielder, he also had a loan spell at the Vale in September 1984 and has been one of the clubs best players in recent years, winning the clubs player of the year award in 1988 and 1991 and also being in PFA divisional teams on three occasions. He helped the club to promotion in 1989 but unfortunately missed the Autoglass Trophy final last season through injury. Is now in the top ten of the clubs all-time appearance records.

### KEVIN KENT (Midfield)

Born Stoke on Trent 19th March 1965.  
Despite being locally born he didn't join the Vale until March 1991 from Mansfield - with Gary Ford and £80,000 going the other

way. Since then he has been in and out of the team in a variety of roles and also occupied a roving right back role last season as he became a regular over the second half of the campaign. He was a member of the victorious Autoglass Trophy Final line-up for the second time in his career having previously done so with Mansfield and he has also played for West Bromwich Albion and Newport, appearing in all four divisions.

### ROBIN VAN DER LAAN (Midfield)

Born - Schiedam (Holland) 5th Sept. 1968.  
Strong Midfield player with an eye for a goal who became the clubs first venture into the overseas market in February 1991 when he cost £80,000 from the now defunct Dutch team Wageningen. He was an instant hit as a striker with 4 goals in 10 games but since then he has largely occupied a midfield role. He has scored some important goals including the winner at Stoke in the Autoglass Trophy and he was a member of the final winning side. Began his career with SSV Schiedam his home town team.

### MARTIN FOYLE (Striker)

Born - Salisbury 2nd May 1963  
Became the clubs record signing in June 1991 when he cost £375,000 from Oxford and he made a good start with two goals on his debut against his old club. Top scorer in 1991-1992 with 16 goals but last season he was hampered by a variety of injuries and is

now ready to put all that behind him. Began his career with Southampton before moving to Aldershot and has now scored goals in all four divisions.

### NICKY CROSS (Striker)

Born - Birmingham 7th February 1961.  
Joined Vale in June 1989 for £125,000 from Leicester City and did well in his first season scoring 15 goals. Injury then hampered his progress for two years but he returned with a bang last season notching 12 goals and playing his part well in the clubs successful campaign. He began his career with West Bromwich Albion and then moved to Walsall for whom he scored 51 goals in 2 1/2 years.

### NEIL ASPIN (Defender)

Born - Gateshead 12th April 1965.  
Wholehearted player who always gives his all. He joined the Vale for £140,000 in July 1989 from Leeds where he had spent seven years and played in the First Division at the age of 16. He has hardly missed a game since, winning the player of the Year award in 1990.

### PETER SWAN (Defender)

Born - Leeds 28th September 1966.  
Tall central defender who cost a fee of £300,000 from Hull City in August 1991. Began his career with Leeds, joining Hull for £200,000 in 1989 and in two years as a striker notched 25 goals but he is now settled at the back where he is rock solid.

# F.O.S.C.F.A. NEWS

Due to the inclement weather, tonight's game is our first home match since December 18th, 1993 - the Christmas/New Year period saw us play 2 away games but no home games. Enough has been said about the Cardiff farce, but special mention about the Bristol Rovers game at "Trumpton" Park, Bath: the second half performance of the team was outstanding considering the opposition and recent appearances; the Swans fans that journeyed to the match also deserve a pat on the back for proving that the genuine fans do not go in for wanton hooliganism and damage!

## Famous

Unfortunately, over the last couple of weeks, the Welsh FA have surely shot themselves in the foot over the decision not to reappoint Terry Yorath. No other "famous" person would probably want the job at the price offered.

All members and committee wish to send get well wishes to Mark Davies of Port Tennant who was injured at Cardiff the other day. The sooner

the culprits are caught the better. Did you know that Spurs in 1963 were the first British side to win a European trophy - the Cup Winners Cup.

Our next away match is the long trip to Blackpool (lovely place at this time of year - take plenty of warm clothing). Coaches depart Morriston Cross at 7.15 a.m. and the Quadrant at 7.30 a.m. Members £13.00, non-members £15.00. Bookings can be made at the Club Shop on non matchdays and also at the North Bank or Centre Stand on match days. Book early to avoid disappointment. Telephone enquiries can be made on 790807 or 458069.

# SWANS NEWS

REG PIKE

A Happy New Year to all Swansea City F.C. supporters. Due to the continuous rain our last two home matches against Brighton and Hove Albion on 29th December, 1993 and Hartlepool United on 4th January 1994 were postponed through a waterlogged pitch. Apologies to all those who have been inconvenienced and especially to Mr. Tulley from the Falklands who travelled up from Penzance with his son and daughter to watch the Brighton game. A well earned three points gained from our away victory 2-1 over Bristol Rovers on New Years Day. Manager Frank Burrows with so many key players on the injured list must have been relieved with this great team effort. Just a reminder the Club Shop will accept fully completed Gulf Oil collector cards as part or full payment for Swansea City souvenirs. Each completed card - with 20 Gulf tokens attached - is worth

£1 off any purchase from the Shop. Plus - when purchasing advance tickets for Swansea City home matches, you can now redeem fully completed collector cards at a rate of £1 per card. Offer applies to advance ticket sales only. Collector cards cannot be redeemed at the turnstiles. Thank you for all your letters and cards - please keep writing!
